

WORKSHOP CUM TRAINING ON LIFE CYCLE ASSESMENT (LCA) & UMBERTO SOFTWARE

Tangible Benefits of LCA for Industries

Reference: Dr. Peter Shonfield, Unilever

Workshop Venue

Date	City	Venue
29 th & 30 th Jan 2018	Delhi NCR	Fortune Select Global - Gurgaon
1 st & 2 nd Feb 2018	Hyderabad	Fortune Park Vallabha - Hyderabad

Tentative Agenda – 2 Day Programme

Day 1 9:30 A.M - 5:00 P.M	Day 2 9:30 A.M - 5:00 P.M
<ul style="list-style-type: none"> Requirements of ISO 14001:2015 Introduction ISO Standards that support to take a Life Cycle Perspective including ISO 14025 for Environmental Product Declaration (EPD) 	<ul style="list-style-type: none"> Case Studies from Industry Hand on training on Umberto software

WHO SHOULD ATTEND

- Top management executives
- Sustainability professionals
- R&D/Design and Development Engineers
- Production/Plant Head
- HSE Managers
- Quality Control Personnel
- Industries /Business Associations
- Industries in transition to RC14001:2015

Workshop Facilitator Ms. Martina Prox

She is Partner at IFU, developer of Umberto®, one of the leading solutions for Material and Energy Flow Modeling and Life Cycle Assessment.

She provides professional trainings and consulting on Sustainability Management, Life Cycle Assessment, Carbon Foot printing and Material Flow Cost Accounting.

She has dedicated more than 20 years to support industry to deal with the challenges of sustainable development, especially with all issues related to efficient and effective use of resources in production and service systems.

As a German delegate she contributes to the development of international standards of the ISO 14 000 series including ISO 14051, ISO 14052, ISO/TS 14071, ISO/TS 14072, ISO 14008. Since September 2015 she's the elected Chair of the Board of the member-based association FSLCI – Forum for Sustainability through Life Cycle Innovation.

Sectors

Cement, Fertilizer, Chemical, Polymer/Plastic, Furniture, Tyre industry, Packaging, Pharmaceuticals, Paint Manufacturer, Construction Materials, Architects, Academic & Research Institutions, Agro, Bio-based & Food processing industries

Topics to be covered during the Workshop

- Understand the implication of taking Life Cycle perspective and apply product and organization related instruments like Life Cycle Assessment, Product- and Corporate Carbon Foot Printing
- Provide the participants with a toolset consisting of methods, an overview of applicable ISO standards.
- First practical experience with a Software Solution that supports fulfilling the requirement from a Life Cycle Perspective
- Requirements ISO 14001:2015 and introduction of ISO Standards that support the Life Cycle Perspective
- Illustrations of Cases from several industries and Hands-on-Session with the Life Cycle Software *Umberto* LCA

DELEGATE FEES INFORMATION

	FEE (INR)*
Delegate fee (can be paid upto 1 working day before the start date)	Rs. 18,000/-
Early bird incentive (if paid before and upto 20 th December 2017)	Rs. 2000/-
Discount for Members of FICCI India LCA Alliance & CII GreenCo rating	Rs. 1000/-
Group discount per participant (if there are more than 2 participants per organisation)	Rs. 1000/-
Bona fide student discount (on production of valid identity card)	Rs. 7500/-
